

Making a Practical Difference

Sometimes we see articles or videos about Respect Life issues and get very worked up, but those feelings aren't really helping anyone unless we act upon them. Take this opportunity to support the Respect Life Cause in a real and meaningful way. Listed below are Crisis Pregnancy Centers throughout the diocese. Some have provided a list of their needs to help guide your generosity. Please share this information with your parishioners so they can take advantage of an opportunity for grace through an act of charity to their community.

Alamosa - *Women's Resource Center*

Canon City - *Canon City Pregnancy Center*
