RE: Parental Consent Form

Dear Theresa:

It has come up a couple of times in the last year the question of whether a school or program has a right to use a student's photograph or likeness to promote a school or some Diocesan program. The attached form was developed to provide an activity waiver for children who are asked to participate in or consent to promotional programs. Hopefully this will enable the school or program to get written parental consent so there is not a problem later on.

Please let me know if you have any questions.

Yours very truly,

Paul J. Willumstad,
